Leases Issued  
Bond Accepted

Pursuant to the April 5, 2011, Sevier Lake Potassium Lease Sale, the bids of LUMA Minerals, LLC., were determined to be the acceptable high bids for 11 Tracts. Satisfactory evidence of the qualifications and holding of the bidder has been reviewed and found to be acceptable.

LUMA Minerals, LLC. has furnished to this office a satisfactory personal bond and Power of Attorney in the amount of \$25,000, which provides statewide bond coverage for the potassium leases listed above. Cash in the amount of \$25,000 in lieu of a surety bond has been submitted to this office. The personal bond for the statewide coverage is accepted as of May 13, 2011, the date of filing in this office. The cash bond deposited will be held in our suspense account until either (1) this office is satisfied that there is no further requirement for the bond, or (2) satisfactory replacement bond coverage is furnished.

First year's rental for the 11 potassium leases in the amount of \$5,504.00 has been submitted by the bidder, and a check for \$22,249.20 has been paid to Emerald Peak Minerals Inc., for LUMA Minerals' share of the cost of the case-by-case processing fees of the sale. Three copies of the leases have been executed by the bidder and the remainder of the bonus bid has been paid.

Therefore, potassium leases UTU-88444 – UTU-88446, UTU-88448 – UTU-88453, UTU-88455 and UTU-88456 are hereby issued effective August 1, 2011.
